**CENTRE CONSULTING LAUNCHES CENTRECHECK[√],
A GSA REPORT CARD COMPLIANCE TOOL**

VIENNA, Va.—September 13, 2007—Centre Consulting, Inc., leveraging its years of experience with GSA schedules, has launched CentreCheck[√], a comprehensive GSA schedule compliance assessment tool. CentreCheck[√] tracks the evaluation areas of the new GSA Report Card, identifying the vulnerability in clients' schedule procedures ahead of a GSA site visit.

CentreCheck[√] comprises the following:

- Preliminary conference
- Initial compliance assessment
- Detailed report identifying weaknesses and areas of audit risk and exposure
- Report of findings within 10 business days of the initial conference
- Optional site visit, an in-person consultation with one of our attorney GSA experts
- Pricing for small, mid-sized and large businesses

CentreCheck[√] addresses these risk areas:

- Segregation of GSA sales from non-GSA sales
- Scope issues
- Labor category compliance
- Trade Agreements Act compliance
- Quality of written procedures
- Price reductions

As part of the CentreCheck[√] introduction, Centre Consulting is offering launch customers free access to its October 22 audio seminar, "Surviving the New GSA Report Card." This 90-minute audio seminar will provide insight into the new Report Card and its challenges.
